

We have conducted an extensive risk assessment throughout the property and identified the following steps to be taken in order to protect customers and staff during the Covid 19 outbreak

Symptoms - Any customer displaying symptoms of Covid 19, we request you do not enter the premises and seek medical advice and quarantine is requested for 2 weeks.

Test & Trace - As part of this government scheme designed to identify and isolate potential contagious people, we are required to record the contact details of one designated person per group. It will be the responsibility of this person to alert the other members of the group if they are highlighted as having been put at risk of contracting Covid 19. By giving us your contact details you consent to us storing these for 21 days before they are destroyed.

Maximum Group Sizes

Indoors

Group sizes are limited to two households per group, groups of more than two households must be seated at least 1 meter apart but may sit at adjacent tables.

Outdoors

Group sizes are limited to two households per group or if more than two households in a group the Maximum number of that group is **six**.

Toilet Facilities - Our toilets are inspected and sanitized every 15 minutes and restricted to one person at a time. We have extra portable toilet facilities outside, if the toilets are occupied, please do not queue and return to a safe distance until available.

Children - Please be aware – you are responsible for supervising of young members of the family AT ALL TIMES and ensuring that are adhering to social distancing guidelines.

Signage - Clear signage will be placed throughout the premises to assist customers in following recommended social distancing and government safety guidance, please observe and follow these at all times.

One Way System - Please be aware our entrance and exit doors are one way and must be used as indicated.

Dogs - Dogs must be kept on a lead & under close supervision, both inside & outside at all times.

Patience - We have introduced unprecedented levels of cleaning and safety procedures throughout the premises. This will result in increased waiting times which is a necessity in order to serve everyone safely. We greatly appreciate your patience during this time

Contactless Ordering

Get our App or scan the QR code displayed throughout the premises, order and pay from your table to reduce movement & queuing.
